

## Why Martley?

Our dedicated and enthusiastic team of teaching and non-teaching staff continually strive to offer the best education for all. We aim for the highest achievements for each and every individual, academically, socially, spiritually, and culturally guided by a strong moral compass.

Our curriculum is rich and exciting. It is designed to engage and inspire, encouraging children to develop skills, acquire knowledge and develop a love of learning.

Our delightful environment inspires and strengthens learning experiences, supporting children to achieve their potential and grow into responsible and happy young people who are ready to live life to the full!

## Martley CE Primary School and Nursery

'Creative hands, hearts and minds'

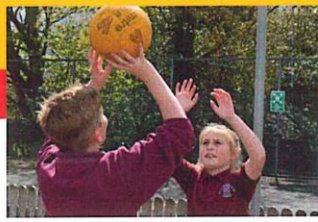

This leaflet offers you a flavour of life at Martley.

We are happy to arrange a visit for you to come along and see our school for yourselves.

We look forward to meeting with

'Preparing today's children for the tomorrow's challenges'

We are a thriving small, rural village Church school with a great sense of community.

We have 5 mixed age classes, a superb nursery for 2 + year olds and stimulating daily breakfast and after school clubs providing excellent wrap around care from 8a.m. - 6p.m.

We have the **highest aspirations for every child**, enabling every individual to develop their own unique gifts.

We have a long tradition of successful partnerships, working with parents, Governors and our local Parish.

We are proud to be a feeder school for The Chantry High School and work closely with them, particularly through sporting events and transition opportunities.

### Creative Curriculum

Our creative curriculum is designed to inspire and enthuse children to enable them to acquire the knowledge and skills to become successful, caring individuals and confident learners.

Our curriculum across the school is organised in a variety of thematic programmes designed to grab children's attention, inspire, challenge and transform their learning and thinking.

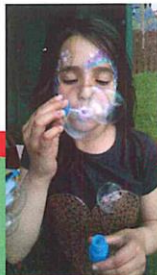

The children have opportunities to work independently and with a variety of their school friends throughout each day.

We build in curriculum enrichment opportunities where we can focus on one aspect of learning or subject area or a social and emotional wellbeing focus. This may be through educational visits, through inviting visitors in or by having an end of topic event where parents are invited in to share the learning.

Parents and carers are regularly invited into School so that children can showcase their learning.

The **partnership between home and school** is highly valued-together we make a greater difference!

Life and learning at Martley is never dull!
