School Uniform Policy – July 2017

We believe that wearing a uniform is a way of showing pride in the school and encouraging a sense of belonging. Our rules are firm; not just about what pupils wear but also how they wear it, because we know that when pupils look good and feel good about themselves they can produce their best work. Parents' support for our uniform policy is expected.

Parents of children not wearing the correct uniform should contact their child's class teacher to offer an explanation.
